

Cavalla International University

Tuition for all programs

Tuition and Program Structure

Cavalla International University (CIU) is committed to providing high-quality American education at low tuition rates, ensuring affordability and flexible payment options that meet the needs of all students. The University strives to remove financial barriers to higher education by offering competitively priced programs supported by convenient and accessible payment plans. CIU is recognized as one of the most affordable American universities.

CIU offers two primary academic pathways: **the Fast-Track Pedagogical Learning program and the Traditional University-Based Pedagogical Learning program.**

Fast-Track Pedagogical Learning

The Fast-Track programs requirement: Fast-track programs maintain the same academic standards and rigor as traditional programs but are delivered within a condensed timeframe. Credit may be granted for relevant professional development, prior academic achievements, life experiences, and substantial full-time work experience in the candidate's field of specialization. Depending on the program and individual qualifications, completion may take approximately 1–2 years or less.
